### MEMORANDUM

**TO: Fish and Wildlife Committee Members**

**FROM: Patty O'Toole, Fish and Wildlife Division Director**

**SUBJECT: Committee Update and Planning**

**Summary:** The Fish and Wildlife Committee meeting will begin with the usual *Committee Update and Planning* agenda item. This is a standing item for the Fish and Wildlife Committee agenda. This is an opportunity for staff to briefly address important topics for the month with the Committee. The content presented each month may vary slightly and might include an: introduction to the agenda for the day, a brief check-in on the division workplan, updates on relevant regional fish and wildlife developments or follow-ups from previous Council discussions. This agenda item is also an opportunity for Committee members to raise questions or request future discussion or agenda items.

For the March meeting, the update will focus on an overview of this month's agenda and an overview of upcoming assignments for the Independent Scientific Advisory Board (ISAB).
