### **MEMORANDUM**

**TO: Power Committee Members**

**FROM: Jennifer Light**

**SUBJECT: Brief Staff Introductions**

### **BACKGROUND:**

**Presenter:** Power Division Staff

**Summary:** This will be the first in person meeting in Portland since February of 2020. Since that time, there have been some changes to the Council staff and the addition of new Council members. Taking advantage of the fact that most of us will all be in the same room for the first time, we wanted to plan a few minutes at the top of the Committee meeting for introductions. Each power division staff member will highlight their role on the team and upcoming work they are excited about.
